

**Older American's Act 2012 Senior Support and Nutrition Services
Request for Proposals
Required Match Calculation Instructions**

Older American's Act Senior Support and Nutrition Services awards are meant to fund 85% of the total services delivered. All awards for these programs require the recipient to provide the remaining 15% in Match Funding. The following is an example of how to correctly calculate Match Funding.

Older American's Act Senior Support and Nutrition Services funding requested	\$10,000.00
Divide by 85% to get Total amount of service to be delivered	\$11,764.71
Total amount of service to be delivered	\$11,764.71
Subtract OAA Senior Support and Nutrition Services funding requested	\$10,000.00
Amount of Match Funding required	\$ 1,764.71

This calculation is to be used to determine Required Match Funding for all services. Required Match Funding may be in the form of Cash or In-kind.
